To Educate All Children Honestly
TEACH Grant Award Guidelines--2026

The Community Foundation of Greene County (CFGC) announces the availability of a new grant opportunity for Central Greene School District teachers.

The **To Educate All Children Honestly (TEACH) Grant Award** was established by the Gensler Family, a family of retired Central Greene School District teachers, who wish to offer fellow teachers a path to develop new curriculum opportunities which enhance their teaching and student learning.

The TEACH Grant Award, up to $2,000, will be awarded to **one classroom teacher (Pre-K through Grade 12)** in the **Central Greene School District** selected through a competitive grant application process.

The TEACH Grant application must enhance and facilitate student learning in the classroom through innovative ideas, programs or projects. Creative and innovative projects can be focused in any subject area and must be curriculum-based. The grant award may be used for activities such as, transportation, field trips, speaker fees, books, videos, kits, and classroom equipment, so long as they are integral to the curriculum. The grant award may not be used to supplant funds that are or would otherwise be funded through the school budget or other grants or means, or for projects started prior to the grant award. The grant will be used for the next school year.

Classroom Teachers in Central Greene School District (Pre-K through 12), including specialty teachers and guidance counselors, may apply. The Grant is NOT available to administrators.

To apply for the CFGC TEACH Grant, teachers may list up to 3 wishes for their classroom students. Include a description of each wish along with an estimated budget for each wish. Wish projects may be for one classroom, multiple classrooms, a grade level, or a segment of a grade level or class. Multiple teachers may collaborate on a Wish project, but only one teacher may be the applicant.

Teachers may propose one, two or three wishes. Each wish may have a $2,000 budget, or two or more wishes may be proposed that add up to $2,000. However, only one teacher will be selected to receive a $2,000 grant to make their wish(es) come true.

Grant applications will be received through April 16, 2026 using the **CFGC Online Grant portal** on our website at http://www.cfgcpa.org/grants-for-public-schools/. The Award will be announced at the end of the school year. Projects will begin with the next school year. The Online Grant portal opens on February 13, 2026.

One $2,000 grant will be awarded to one teacher. Grants will be paid to the school for purchase of supplies, equipment, etc. for the teacher based on the wish(es) submitted in the application. A Grant report and budget will be completed and submitted to CFGC at end of the school year along with stories and pictures of the impact of the grant.

For more information contact the CFGC office Monday through Friday 8:00 a.m. – 4:00 p.m.
